RE: Amended 2014 Post-General Report

The Committee to Elect Alan Grayson is amending the 2014 Post-General Report due to a discovered increase in income of \$1,000.

This increase is due to confusion among Committee staff with two incoming contributions. On October 24, 2014 the Committee received checks from the National Emergency Medicine PAC and the Machinists Non Partisan Political League of The International Association of Machinists & Aerospace Workers (Machinists PAC). The check from the Machinists PAC was in the amount of \$5,000 and the National Emergency Medicine PAC contributed \$1,000.

The Committee mistakenly reported the National Emergency Medicine PAC as contributing \$5,000 and failed to include the Machinists PAC as contributing. When reconciling the account for the year the \$1,000 discrepancy was discovered. Upon further research by the Committee it was discovered the incorrect PAC was reported as contributing \$5,000.

The amended 2014 Post-General Report filed by the Committee properly reports the contributions received from the above referenced PACs on October 24, 2014.

If there are any questions please feel free to contact the Committee.

Sincerely,

Carla Coleman
Treasurer
